***Terrible Red Racer***

by Jasmin Burgess  
Illustrated by Kate Hawthorne

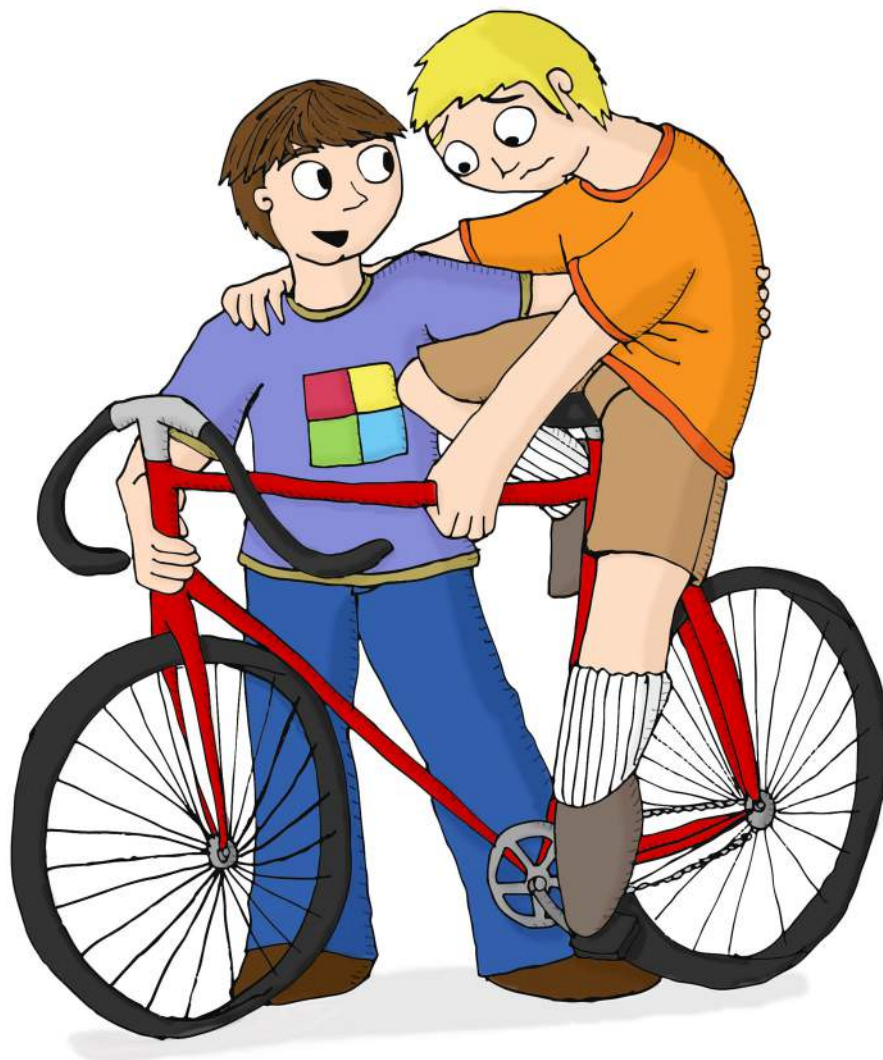

Daddy has broken his arm and is playing lemonade stand on a computer.

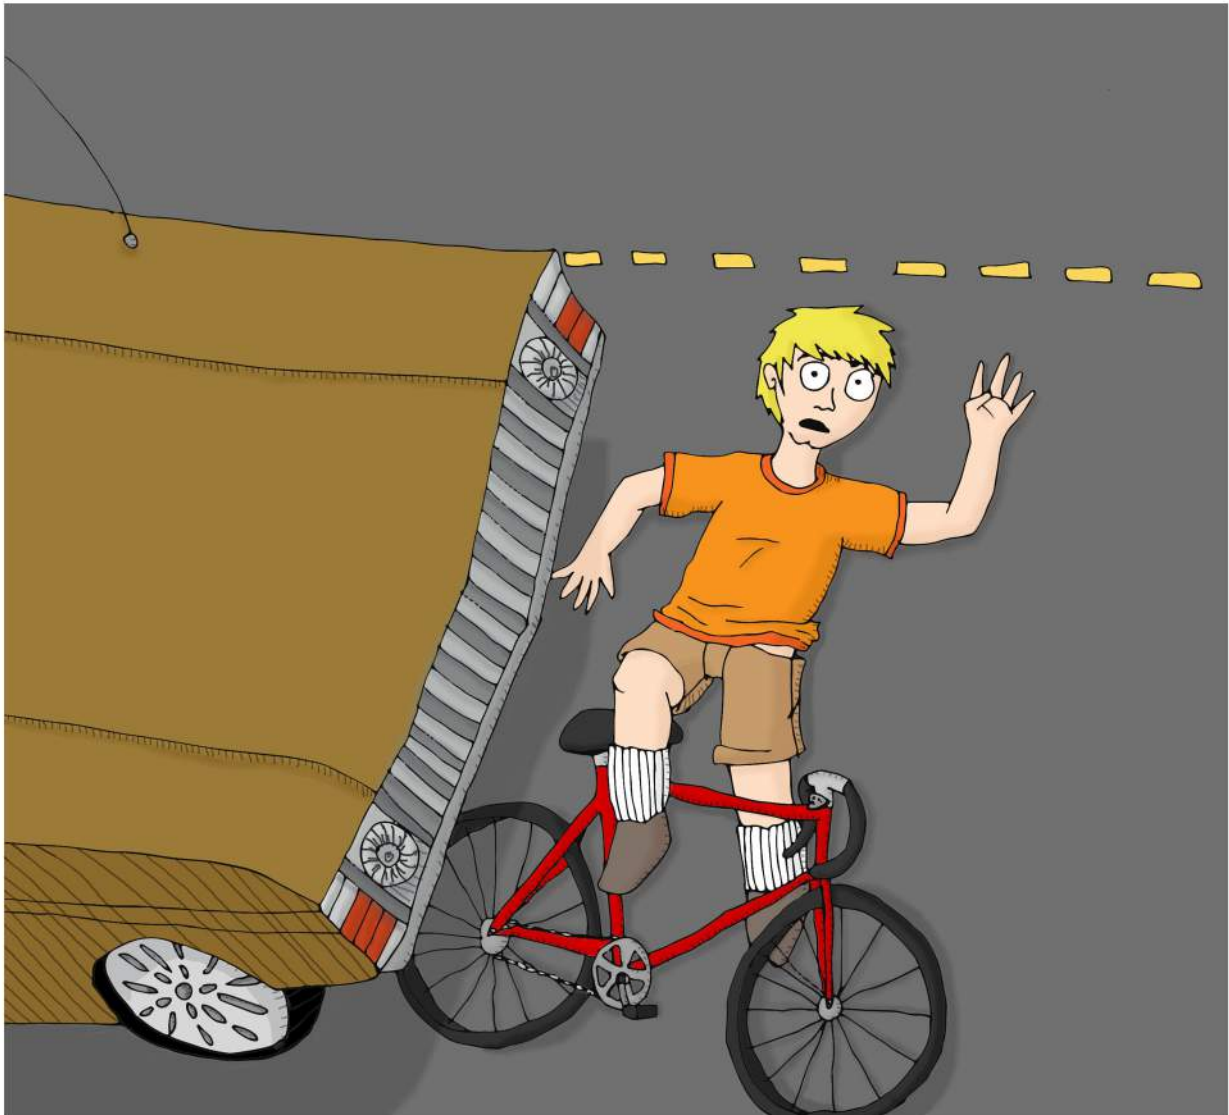

Daddy played on a computer at Jeremy's house and had lots of fun because Jeremy was really rich.

Dad got onto Jeremy's bike, but Jeremy said, 'Be careful, don't touch this button.'

Dad raced Jeremy, but it wasn't a good idea because the handlebars locked and he fell and broke his arm.

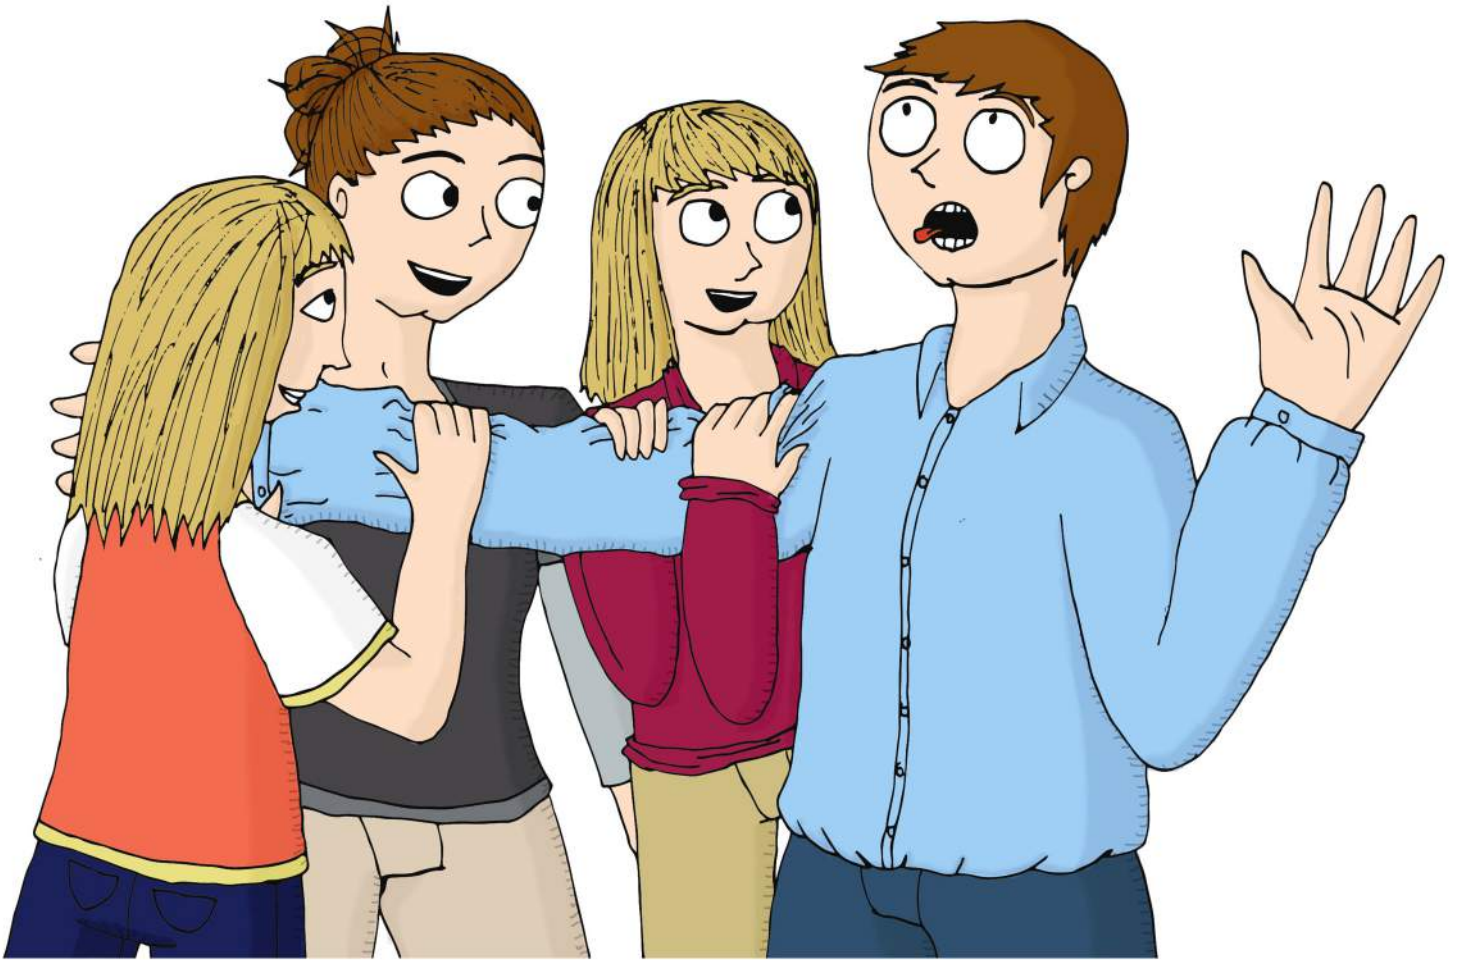

The teacher pushed dad out and wouldn't let him phone his mum and dad was really angry because he had a broken arm.

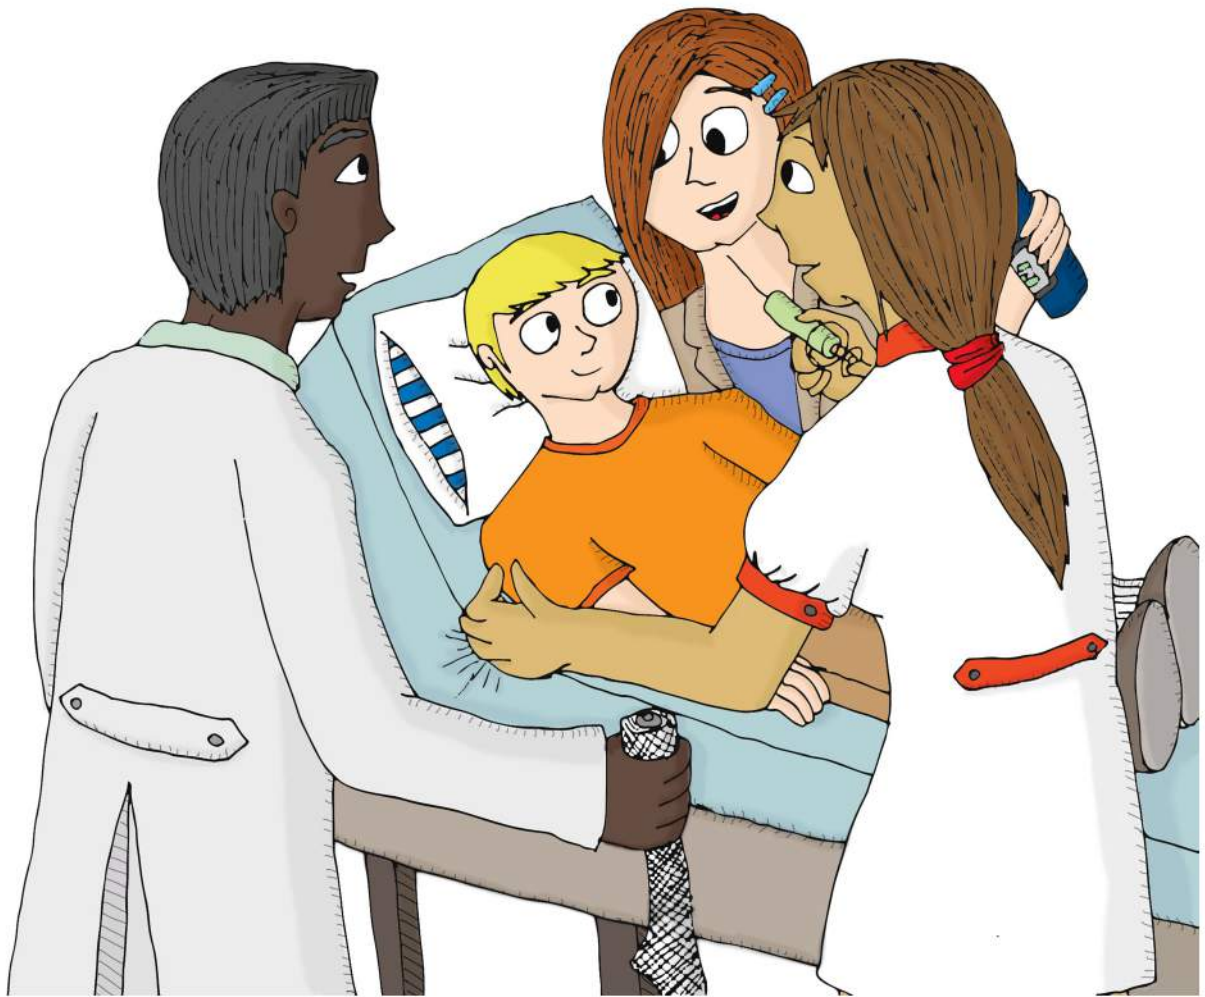

Daddy got driven to the hospital with granny and she was not impressed because he was in agony.

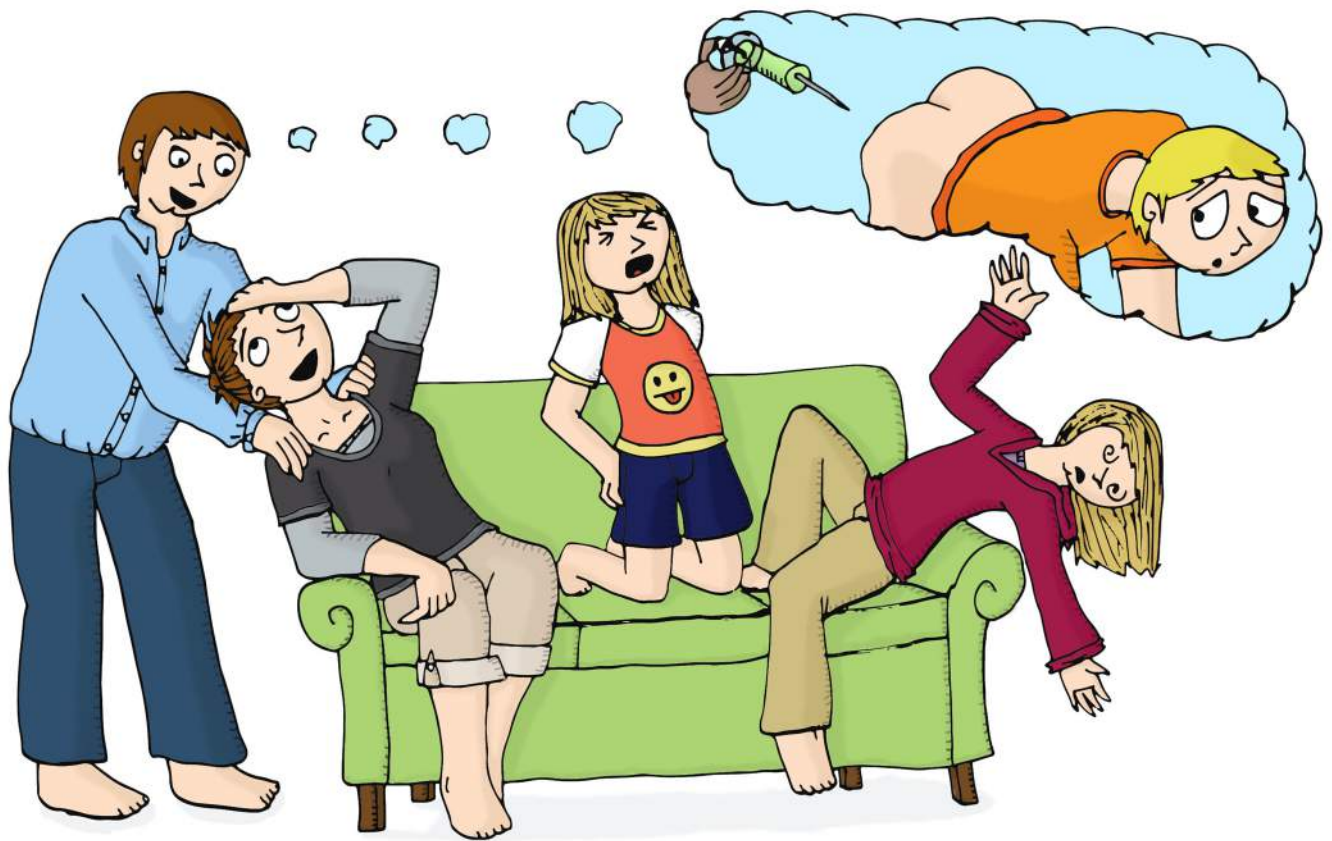

Daddy showed the girls how the doctor pulled his arm in different ways.

Dad was telling us how the doctors pulled his arm and he screamed ah!

Daddy got a needle in his bottom.
